

PRIVACY POLICY

We do not share your personal information with any other organizations or individuals. We keep all information you provide to us, no matter how or why you provide it, completely confidential (for example, ordering, subscribing, etc.). The contact data you provide through forms and email is used for the purpose stated in the form or email (for example, to provide you with information you requested, send you free articles, reports, marketing tips etc). We promise never to provide any information about our clients, subscribers or affiliates to any other third party, except of course in the unusual event should we be required to do so by law.

We use WorldPay and PayPal for all our online transactions. They are one of the most trusted and secure internet payment services. Only those employees with relevant business duties (Directors and support staff) may access personal information, and only to perform their duties. They are subject to dismissal for any privacy violation.

You may receive periodic mailings from us with information on new products and services or upcoming events. If you do not wish to receive such mailings, please let us know by contacting us using the 'Contact Us' form on our web site, or by clicking the 'unsubscribe' link within the email.

Cookies are text files, used by your computer's browser, that store visitor session data. Cookies, by themselves do not identify the individual user. Cookies are commonly used on the internet and do not harm your system. You can delete your cookies at any time. We do use cookies, but only to track behaviour of groups of users (for example, what pages users access or visit etc). This is to help us monitor our web site traffic in order to improve our site content, products and services. We do not track individual usage, and we do not tie the cookie to any personal information that you provide to us. Our web server automatically recognizes only your domain name, but not your personal information. In other words, we have no way of knowing that you are you. Your visit is entirely private and anonymous.

We do not partner with or have special relationships with any ad server companies.

Our web site may contain optional links to partners and third party web sites and services that may collect data from you or your computer. Please be aware that if you choose to leave our site via a link, we assume no responsibility for the privacy practices or the content of other web sites.

We completely respect your privacy. We never sell, trade, rent, share, or otherwise disclose any information you give us to anyone else.

That's our promise to you!

If our information practices change in future, we will post the policy changes on our web site to notify you of these changes. If you are concerned about how your information is used, you should check back at our web site periodically.

If you feel that this site is not following its stated information policy, please contact us through the 'Contact Us' form on our web site.

Cookies

Each time a subscriber logs into this site, we store a temporary 'cookie' in the browser files of that subscriber's computer. This cookie is used during your online session to allow you free access to the Subscribers Area, without repeatedly requiring you to re-enter your user name and password.

When you log off or leave the site, the cookies file is automatically removed.

External Links

In order to provide visitors with greater value, some of our pages may provide links to various third party websites. In no case is subscriber information or 'cookies' provided to the third party sites.

However, keep in mind that many sites do attempt to capture visitor information when you browse those sites. Once you leave our site, we are not able to alert you should another site attempt to gather information from your browser.

Private Forums

We provide our subscribers with a multi-tiered Discussion Forum that makes sharing information with other subscribers easy. To protect your privacy when posting or replying to messages in the message board, your personal information and email is not revealed.

However, remember that any information you disclose in the message board areas can be read by all other subscribers, so exercise caution when deciding to disclose your personal information.

Security

We use a variety of security measures including encryption and authentication from Thawte to protect the loss, misuse and alteration of your personal information under our control.

Choice/Opt-In

Our site gives users the opportunity to opt-in to receive communications from us. You can be assured that we never reveal, sell, or make available your email

address to anyone for any purpose. This site also gives users options for removing their information from our database in order to stop receiving our communications.
